

## ***Medbank Partners with the American Cancer Society***

BALTIMORE, Md. – November 2005 – MEDBANK is proud to announce our new partnership with the American Cancer Society. Together we will be able to provide access to free medications and offer many programs and services available through the American Cancer Society.

If you have been recently diagnosed with cancer, are currently in treatment or are a cancer survivor, please call Tabitha Taylor toll free at 1.877.435.7755 ext. 184 or locally 410.821.9262 ext. 184. Tabitha is a patient service representative who has been trained to help patients receive their medications and also link them to American Cancer Society programs and services available at no charge to cancer patients and their families.

Some of these services include transportation to and from chemotherapy, radiation, or surgery, support groups for patients and their families, educational workshops and counseling from beauticians and dietary consultants.

If you would like to learn more about our involvement with the American Cancer Society and how we can help you, please give Tabitha a call at one of the numbers listed above.
